GENERAL DESCRIPTION

Kindest Kare Skin Cleanser is a routine hand cleanser designed for use by health care personnel in general health care areas of hospitals, nursing homes, and ambulatory care settings. Kindest Kare Skin Cleanser is formulated with surface active agents to gently cleanse the skin, disperse water hardness, and produce a readily rinsing product. Kindest Kare Skin Cleanser also contains selected skin conditioners including protein and Merquat™ to help reduce the dryness and irritation typically caused by frequent handwashing.

FEATURES	BENEFITS
Good detergency	Effective cleaning
Easy-to-rinse foam	Free rinsing
Skin conditioners	Gentle to the skin
Preserved	Prevents product contamination

TYPICAL PHYSICAL PROPERTIES

Form .... Opaque liquid
